HOW YOU CAN HELP

1 FIND YOUR SCHOOL

Visit 917society.org/school-maps

Review participating schools in your area and select the schools you'd like to serve.

If there is a school you'd like to deliver to that is not listed, simply include the school information when submitting your order request.

3 ORDER DEADLINE

**ALL ORDERS MUST BE
SUBMITTED BY AUGUST 1, 2026**

This ensures enough time for fulfillment and delivery before Constitution Day.

5 SCHEDULE YOUR DELIVERY

DO NOT SHOW UP UNANNOUNCED

School security procedures are extremely strict. Call each school in advance and schedule your delivery date and time.

7 HELP TELL THE STORY

Take photos and videos throughout the process, from receiving your Constitutions to delivering them on Constitution Day, and submit them through the link on the landing page.

Help us capture and share what happened across America for social media, the recap film, and future Constitution Day promotion.

2 COMPLETE THE ORDER FORM

Click the order form linked on the map.

Under Volunteer Type, select:
Convention of States / COS

Complete all requested information
(including the schools you plan to serve).

4 RECEIVE YOUR SHIPMENT

The 917 Society will ship your Constitutions directly to you. Upon arrival, organize and divide the books based on the number needed for each participating school.
